

FREE Derbyshire Patient, Carer and Citizen Networking Event

Wednesday 15 May 2019 – 10.00 to 16.00

Registration from 9.15 am – Refreshments and lunch provided.

**Venue: The Derby Conference Centre, London Road, Derby.
DE24 8UX**

This event aims to inform, inspire and activate public involvement in NHS and care services across Derby and Derbyshire.

The NHS and social care landscape is complex. The NHS 10 Year Plan and local Sustainability Transformation Partnerships emphasise the need for more joined up care for patients and citizens. They also highlight the importance of organisations involving patients, carers and citizens directly in decisions about health and care services.

This event is aimed at the public. Key healthcare organisations will be available to share information about their services and importantly how you can get involved. Local patients and citizens will share their involvement experience and the impact they are making.

You may already be actively involved, thinking about getting involved, or this may all be new to you. If you are interested in making a difference to your local health and care services you are welcome to attend.

There will be information stalls and those attending can choose from a selection of workshops. A full programme will follow.

To ensure patients and citizens are not out of pocket, travel reimbursement will be offered in line with our expense policy and forms will be available on the day.

To register to attend please click [here](#).

For more information and help with completing your booking form – please call Deborah Wilson, EMAHSN Patient Public Involvement Officer on 0115 8231431 or 07773610741, or email deborah.wilson@nottingham.ac.uk

This event is brought to you by the East Midlands Academic Health Science Network, East Midlands Patient Public Involvement Senate in partnership with local healthcare organisations.
